

CS411 Team Assignment 2 - User Stories: US3.2 (revised)

Group 20 - Manish Patel, Ji Zhang, Chen Feng, Curtis Mason and Takamitsu Shirono

Calendar Features:

Create Invitation:

On the main page (refer to **Main Page**), the user will see the Create Invitation button on the left hand-side below **Add Personal Event**. This button will allow the user to create an invitation specifying the Start/End Date, Event Name and Event Location. An event URL will be generated and can be sent to attendees, allowing them to share their calendars for scheduling purposes.
