

CS411 Team Assignment 2 - User Stories: US3.1 (revised)

Group 20 - Manish Patel, Ji Zhang, Chen Feng, Curtis Mason and Takamitsu Shirono

**Calendar Features:**

**Add Personal Event:**

On the main page (refer to **Main Page**), the user will see the Add Personal Event button on the left hand-side. The button allows the user to create a personal event on their calendar with the fields: Start/End Date, Start/End Time, Event Name and Event Location. When a date is selected, see **Weather Handling** for information on what more is displayed on this pop-up.
