

CS411 Team Assignment 2 - User Stories: US3.3 (Event Creation)

Group 20 - Manish Patel, Ji Zhang, Chen Feng, Curtis Mason and Takamitsu Shirono

Calendar Features:

Event Creation:

The user will be able to create and delete events on their calendar. To create an event, users can double click on any green available time slot, refer to **Available Times Display**. After double clicking a modal will pop up. They will have to select a time frame, date slot, refer to **Date(s) Selection**, and recipient, refer to **Recipient Selection**. Upon creating an event, the event will be transferred/synchronized to their own Google Calendar(s).
