

CS411 Team Assignment 2 - User Stories: US2 (Main Page)

Group 20 - Manish Patel, Ji Zhang, Chen Feng, Curtis Mason and Takamitsu Shirono

Main Page:

After getting past the login page (refer to **Login**), the user will see the main page with a Calendar centered in the page with another panel to the right of the calendar that displays the existing meetings in chronological order. The center calendar will have been populated with existing calendar events synced from the user's Google Calendar.
