CS411 Team Assignment 2 - User Stories: US3.2.1 *(revised)*
Group 20 - Manish Patel, Ji Zhang, Chen Feng, Curtis Mason and Takamitsu Shirono

Calendar Features:

    Create Invitation:

        Event Owner View:

            The event owner will see a text box on the left hand-side with emails of the attendees who have shared their calendars. There will also be a button on the left hand-side, Create Group Event, which allows the Event Owner to formally create the event, specifying the Start/End Date, Event Name and Event Location. After the event is created, the Attendees will receive a Google Calendar invite.
