CS411 Team Assignment 2 - User Stories: US2 *(revised)*
Group 20 - Manish Patel, Ji Zhang, Chen Feng, Curtis Mason and Takamitsu Shirono

Main Page:

> After getting past the login page (refer to **Login**), the user will see the main page with a Calendar centered in the page with two buttons to the left hand-side. The buttons are Add Personal Event and Create Invitation. The center calendar will have been populated with existing calendar events synced from the user's public Google Calendar.
